Dear Mr. Rieger,

Re.: Partnership between Hout Bay/South Africa - Karlsruhe

I am very pleased to learn that you were able to establish a continuous exchange of ideas with representatives of the City of Karlsruhe to identify joint projects to be realized in the future.

I do hope that your efforts to bring people from completely different cultural and regional backgrounds closer together in order for them to understand each other's particularities by means of such projects will be a success.

It is these personal contacts that contribute to a viable understanding between peoples.

I wish you all the best for your further involvement in this area.

Yours faithfully,

b.o.

Thomas Schoppa
